

## How to Take Game Officials Based Modules (and Tests) After Registration

Tablets and Smart Phones are not totally supported by Game Officials. If you are having difficulty, switch to a laptop or PC. Those using Windows 8 and 8.1 may find the “Desktop” version of IE works better (navigation buttons work better) than the “Tile” version.

### 1) Log in to Game Officials

If you do not see Officials here and Michigan Refs [1303] here, go to Change Identities
